

Genesis Project School Study Update 7/26/2023

Earlier this year, we as a congregation voted to partner with the three other Coulee Region LCMS Churches in Wisconsin (Shepherd of the Hills, Prince of Peace, and Gift of Grace) to enter into a feasibility study for an LCMS parochial school in the area.

Since the Last Update, the steering committee has met twice. Once at Gift of Grace in June and a second time at Faith in July. We have some progress to report:

- Brochures have been printed to hand out to community members. Community members are non-members who have primary school aged children.
- We have developed a website: newlutherschoollax.org/ which is directed at giving the public more information.
- We are actively working on distributing the brochures to the public so we can get a wide arrange of input and opinions on a New LCMS School in the Coulee Region.

What Can I Do?

In addition to continued prayer and staying up to date at faithonmain.com/genesisproject, please consider the following:

Fill out this Survey

You may be sick of us asking, but if you haven't done so already, please fill out this survey by either scanning the QR code to the right or by visiting: faithonmain.com/ChurchSurvey . Please fill it out regardless of whether you have kids or not!

NEW: Hand out Brochures

There are brochures in your church's narthex for you to take home to share with families with children. Ask friends and neighbors to fill out the survey on that brochure. We are hoping to get 600 surveys filled out to get a clear picture of the demands and wishes of a broad swath of families in the Coulee Region. We need your help to reach this 600 survey goal! You may also simply share the website URL with friends which also has a link to take the survey (newlutherschoollax.org/)
