10:30–11:45 a.m. God’s Design for Marriage—Dr. Ryan MacPherson

Look not to the culture, for it is confusing. Look not to yourself, for who among us has all the answers? Look to the Creator, who made us male and female and instituted marriage. Look to Scripture to find God’s design for marriage. Look ahead, to a future of God’s blessings!

12 p.m. Lunch

1:00-2:15 p.m. Holding Your Family Together in Christ—Dr. Ryan MacPherson

Recognize a consistent encouragement to have home devotions, in both the Old Testament (Deuteronomy 6:4–9) and the New Testament (Ephesians 6:4). Review the blessings that God attaches to His Word. Rediscover the calling that parents have for serving their children’s spiritual needs. Learn practical tips for conducting home devotions. (Don’t be shy to attend. No previous experience is necessary.)

2:30-3:00 p.m. God’s Gift of Generations—Panel Discussion

Discover God’s design for linking the congregation to the home in Titus 2:1–8. Consider your distinct calling as a pastor, an older man, an older woman, a younger man, a younger woman, or a child. Learn how each of these members of the Body of Christ serve the good of one another to the glory of God. Discuss real-life applications for your family, for your congregation, and for the broader society.

3:00 p.m. Closing Devotion—Pastor Jacob Eichers
